

PressureSensor

```
classDiagram
    class PressureSensor
    class sensorModule_SensorModuleInternals["sensorModule::SensorModule Internals"]
    sensorModule_SensorModuleInternals --|> PressureSensor
```

The diagram illustrates a generalization relationship. A light gray box at the top is labeled "PressureSensor". A white box at the bottom is labeled "sensorModule::SensorModule Internals". A blue arrow points from the top of the white box to the bottom of the gray box, indicating that "sensorModule::SensorModule Internals" is a specialization or subclass of "PressureSensor".
